Fly 1.5 hours north of Johannesburg to the old Zambian trading town of Livingstone, then take a scenic 20 minute drive and you will reach the ancient Victoria Falls where the mighty Zambezi river cascades 500 million litres of water per minute over a precipice that is almost 2km wide and 103m high. The Mosi-u-Tunya National Park protects the fauna and flora of this mystical phenomenon of nature, one of the Wonders of the World.
